

Reference Substances – Price List

phy|proof®
Proof of Quality for Markers

2018/2019
Edition January 2018

Prices

All prices are shown in Euros. All prices net and ex works (shipping costs not included). All prices are subject to change without notice. Errors and omissions excepted.

This price list includes the following discounts valid for the purchase of single units of any **phyproof**[®] Reference Substance:

from 50 mg:	10 %
from 250 mg:	15 %
from 500 mg:	20 %
from 1000 mg:	25 %

A surcharge may apply if packing in multiple units is requested. For larger quantities please contact us for an individual offer.

Availability

Most **phyproof**[®] Reference Substances are available from stock for immediate delivery. For up-to-date information please visit our webshop at <http://phyproof.phytolab.de> or contact our headquarters or one of our area representatives to confirm availability of the desired quantities.

Certificate of analysis

Each **phyproof**[®] Reference Substance is delivered together with a comprehensive certificate of analysis. **phyproof**[®] Reference Substances are primary reference substances as defined by the European Pharmacopoeia, the United States Pharmacopoeia, and other international organizations. Very few exceptions apply to **phyproof**[®] Reference Substances available in limited quantities only. The extent of certification for each **phyproof**[®] Reference Substance is shown in the *Certification* column of this price list. Exemplary certificates of analysis are also available in advance from our webshop at <http://phyproof.phytolab.de>. Alternatively, please contact our headquarters or one of our area representatives for more detailed information.

Shipping costs

Zone 1: Germany	€ 12.00
Zone 2: European Union, Iceland, Norway, Switzerland	€ 20.00
Zone 3: Other countries	€ 35.00

Prepaid shipping costs include insured door-to-door delivery by a PhytoLab-selected courier service (Incoterms 2010: DAP). Recipients outside the European Union please be aware that goods may be subject to customs duties, taxes or import restrictions. The buyer is responsible for all import formalities and all customs clearance costs and duties that are due in the importing country, including customs brokerage services supplied by the courier service.

Goods can also be shipped via regular airfreight to the nearest airport (Incoterms 2010: CPT) upon request or if delivery by courier service is not possible for whatever reason. Shipping costs will be confirmed at the time of order. Upon request an additional set of documents can be sent by courier service in advance (shipping costs € 30.00).

Payment

Payment is due net within 14 days (national) or 30 days (international). PhytoLab reserves the right to request payment in advance. We accept payment by bank transfer, cheque or credit card (Visa and MasterCard only). We reserve the right to alter payment conditions at any time.

Placing orders

For your convenience we have provided an optional fax order form at the end of this price list. You may also order via post, e-mail or through our webshop at <http://phyproof.phytolab.de>. Alternatively, please feel free to contact one of our area representatives (see page 234/235 of the 2018/2019 **phyproof**[®] Reference Substances catalogue). With your order you accept our general terms and conditions.
